

SCHOOL OVERVIEW

International School of Lubumbashi (ISL) is a new school in the heart of Lubumbashi which will open its doors in September 2024. It offers Pre-K to grade 8th and will gradually add more classes to allow our students to immerse and integrate the implemented program. At ISL we believe that each of our students can bring a positive impact to the community, and our goal is to provide students with the essential tools to be prepared for their futures. Its aim to develop individuals with thoughtful, reflective and authentic critical thinking who can positively impact our society. Through our international bilingual program, we assure all our parents and students that they will have the ability to master another language to find success and fulfillment in a global world.

VISION AND MISSION

The International School of Lubumbashi is committed to offer a world class innovative, creative and STEAM education to our students and prepare them to lead and impact our society. Our mission is to cultivate excellence through entrepreneurship and applied sciences and encouraging them to take a decisive step forward through our core values (discipline, work and integrity).

ACCADEMIC AND CURRICULUM

The curriculum will be a bilingual program based on STEAM and entrepreneurship. With the aim of preparing our students for the International Baccalaureate Diploma Program.

CAMPUS

Facilities and Premises

The International School of Lubumbashi is still under construction and will be done in April. The school consists of one building on two levels and is planned to have: 40 classrooms, a cafeteria, an auditorium, multi-purpose labs, an innovative center lab, a multi-sport court (soccer, basketball), a volleyball field, administrative offices, a Nurse's office. We additionally have a senior lounge area, a swimming pool and a playground for the little ones.

LIVING IN LUBUMBASHI, DRC

There has been an increase in urban population in Lubumbashi which leads it to be the second-largest city in the Democratic Republic of Congo (DRC). A lot of expats community live in Lubumbashi due to its high level of mining interest which has brought a lot of businesses to open. There is a lot of stores and activities to do in the city, various supermarkets with French, German, Asia, Indian, Chinese, Middle Eastern and American goods can be found.

The residential complex for faculty and staff is located 10 min driving from the school and it has one big house (2 living rooms, a dining room, a kitchen, 2 bedrooms with bathrooms, a swimming pool) and 6 apartments (each with a living room, a dining room, a kitchen, 2 bedrooms with bathrooms and a swimming pool).
